Location

Product

The V1000 Fixed Privacy Screen System (FPSS) using a 90mm offset aerofoil blade. This style provides good air movement and is ideal for fencing, gates, both fixed and sliding and can be motorised if required. This system enables a wide range of lock hardware to be installed and keyed alike for simplicity of use and added security. Available in 5 blade types. Natural anodised surface finish to AS1231-2000 at 22microns.
