Product
V4000 Casement Timber Batten System - Framed CTBS-Fr. Western Red Cedar was specified for these motorised Louvre Blades to provide a very efficient shading solution for these large glazed areas and a design feature that impacts on the whole structure. Vollay is one of an elite few systems that is capable of satisfying the specifier's needs. Powder coat to AS3715-2002 at 60-80 microns.
