Project

Private residence.

Location

Balmain, Sydney.

Product

The Vollay V5000 EBS-MT worked very well here to give privacy to this upstairs bathroom so that the occupants can look over the park without fearing prying eyes but allowing light to enter. Deflect the sun in summer and adjust the blade angle in winter to allow the salubrious sunshine to enter. Downstairs we see Vollay V9000 ALS-MT specified as a very effective privacy fence. Precious Steel Pearl powder coat surface finish to AS3175-2002 at 60-80microns.
