Product
A Vollay V9000 ALS-A 200mm blade was specified for this seaside home to have privacy from the newly built home next door while maintaining the beautiful view of Palm Beach. A dual bank of blades was designed to fit a 3 sided frame to give a cleaner look and maximise the view. Due to the close proximity to the sea a 15 year warranty Ultriva Silver Pearl powder coat to AS3715-2002 at 60-80microns was used.
