Project
Offices.

Location
Takanini, Auckland.

Sales
P. 1300 VOLLAY - 1300 865 529
E. sales@vollay.com

Product

This office building required weather and light control, especially to combat the harsh afternoon sun. The Vollay V9000 Motorised Aerofoil Louvre System using a 200mm blade was specified across the width of this large space and has been very successful in providing comfort to the internal work environment. Natural Anodised surface finishing to AS1231-2000 at 22microns.
