Project

Private residence.

Location

Howick, Auckland.

Product

The Vollay V9000 ALS-MT System using a 200mm blade was specified to give sun protection and privacy to this large glassed living space. The inset shows the blades in the closed position which not only gives complete sun blackout but also provides an excellent security measure. Precious Steel Pearl powder coat surface finish to AS3175-2002 at 60-80 microns.
